MEMORANDUM FOR: ADP Control Officers

FROM :
Security Officer, ODP

SUBJECT : Verification of Users of the VM System

1. Attached to this memorandum is a listing of personnel from your component with current access to the VM system.

2. A password change is scheduled to be undertaken in the very near future. Past experience with password changes had indicated that this listing may include individuals who have either resigned, retired, transferred or who are now performing duties which do not require access to the VM system. Your assistance in verifying the accuracy of the attached listing will help to reduce the administrative overhead associated with such a change.

3. Please review the attached list and report any discrepancies to Customer Services Staff, ODP, GA-0507, extension in writing by 6 March 1981. You may use the attached listing to delete or update. For any additional information, please contact me on extension
